

## CommUnity Group Quote/Testimonial Examples:

1. We're excited to have registered with CommUnity and encourage other groups to explore the many benefits of becoming a CommUnity Group and supporting this fantastic program.
2. Thank you CommUnity for allowing us to focus on supporting our members without the continual financial worry of raising funds to survive.
3. Thank you for establishing such an innovative fundraising platform, that will bring the wider New Zealand community together, and take the hassle out of raising funds to stay afloat. We encourage other community groups, and their members, to register and receive the ongoing funding that CommUnity will deliver.
4. CommUnity has simplified fundraising for community groups from grassroots up to the larger groups. Just register on the website or the app, then encourage your members to support CommUnity Merchants (retailers) to generate untagged funding for your group. It's just that Easy!
5. CommUnity has enabled us to take the pressure off fundraising events that take many hours of organising and work; such as sausage sizzles and car washes. We still enjoy doing them, but they can now be focused on having fun and getting people involved instead of the overwhelming pressure of raising enough money for what we need.
6. Thanks to CommUnity, we now have the opportunity to focus on our true purpose, not on finding funds.
7. Having untagged funds roll into our account from our supporters every quarter allows us to focus on helping our community, rather than spending time searching and applying for funding.
8. We are so grateful that our members can do their day to day shopping, at no extra cost or effort to them, and we benefit from it. Why would you not get involved?
9. The struggle of fundraising can be overwhelming.
