

"I've been a volunteer in a variety of roles, over many years - often with huge effort for little gain. I've often wished there was a easier way of doing things.

I love what CommUnity is doing for our communities and am enjoying using my skills to help revolutionise how community groups generate funds. It's a great feeling to be involved in an initiative which brings such positive change, making New Zealand a better place for us to live in."

Are you passionate about your community?

If you enjoy meeting and talking to people and are passionate about making a difference in your community, then consider becoming a **COMMUNITY AMBASSADOR**.

It's a great way to give back!

As a business with charitable purposes, CommUnity's aim is to put as many funds back into New Zealand communities as possible!

CommUnity is a fund generating program that generates money for New Zealand Community groups by uniting merchants (businesses), community groups and everyday shoppers to support and strengthen one another. Every time a CommUnity member shops at a participating CommUnity merchant, a small percentage of each transaction is passed onto the CommUnity groups or charities of that member's choosing.
